## INTRODUCTION

We at Heart of Worcestershire College expect all our students to agree to abide by our College Values and Student Standards policy. These are designed to enable students to achieve their full potential in a positive and safe environment.

Students will be expected to take responsibility for their own learning, ensuring that they are always ready to learn with the appropriate equipment, behaviour and attitude. We expect our students to make good decisions regarding the use of their time, effort and motivation towards study, attendance and punctuality.

The opportunities afforded to students through their Study or Apprenticeship Programme can only be maximised when students take ownership and responsibility effectively and actively participate in all aspects of their education and college life. The College is a busy community that serves the needs of many individuals and groups with different and sometimes complex interests, attitudes and behaviours. In order to create an effective learning environment, the College has to regulate some conduct and discourage behaviour that is detrimental to the well-being and progress of others. If you think that you may have problems complying with our Student Standards, you should discuss this with a member of staff.

This policy sets out the Code of Conduct that students at Heart of Worcestershire College are required to abide by and explains the sanctions that would be applied where the policy is infringed.

## SCOPE

For the purpose of this policy, the definition of a student is any individual studying on a full-time Further Education Study Programme, Apprentices and those studying on substantial part-time programmes.

## MONITORING & REVIEW

This policy will be reviewed annually by the Senior Leadership Team and College Governors.

## PRINCIPLES

1. The purpose of the College is to promote and enable learning and prepare students to progress into further learning and work. Students should ensure their behaviour allows teaching and learning to proceed safely and effectively without distraction, interruption or interference.
2. It is essential that all members of the College community treat each other with the utmost respect and consideration. Students are therefore required to ensure that their behaviour, at all times, is governed by common sense and consideration for others.
3. Whilst implementation of this policy will depend upon individual circumstances and the age of the student, we must be consistent in the application of sanctions to ensure equality and fairness for all. Personal factors which may contribute to concerns, such as LDD or home environment issues will be considered.
4. The College is committed to promoting fundamental British Values including democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs. Our Learner Voice strategy provides students with a framework through which they can provide feedback on College provision. Students are required to contribute to this in a mature and constructive manner.
5. Students are required to attend all classes and study sessions, including English and maths and all provision that enhances employability and personal effectiveness on time. Students must be ready to learn, demonstrating motivation, and commitment and be prepared with the necessary equipment and materials for all activities. Students must dress appropriately for their College activities. Students who do not comply with expectations around attendance and behaviour may be required to attend extra study sessions.
6. Students are required to familiarise themselves with College safeguarding processes and procedures, including the Prevent agenda. Students are required to report any concerns in a timely and appropriate manner and act in the best interest of others at all times, including in matters of bullying and discrimination
7. Positive student behaviour contributes to a safe working environment and therefore we expect that students will respect College buildings, facilities and other people's property. In addition, the College monitors use of the Internet and students are expected to adhere to the Acceptable Use protocol.
8. The principles of Student Standards extend beyond the internal College environment. Students will be expected to maintain these Standards when off campus on work placement and on educational visits. Students are expected to act as ambassadors for the College, recognising that their behaviour contributes to the reputation of the College within the community.

## STUDENT CODE OF CONDUCT

By becoming a student at Heart of Worcestershire College, you are agreeing to:

### 1. General Conduct

- a) **Treat all members of the College community with courtesy and respect at all times** (including other students, staff and visitors). You are expected to follow instructions from any member of staff, and be truthful and fully co-operative in all dealings with the College.
- b) **Fully commit yourself to your programme of study by being ready to learn.** This means taking off outdoor clothing in classrooms, putting away your mobile phone or other electrical devices and bringing appropriate equipment and materials such as pens, notebooks and calculators.
- c) **Refrain from acting in a manner which brings the College into disrepute**, and instead act as a positive ambassador at all times.
- d) **Refrain from behaviour or expressing views that are contrary to fundamental British Values** including democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.
- e) **Show your identification badge on demand** when on College premises and/or when undertaking College activities.
- f) **Use College property and resources in a responsible manner.** Those who damage College property, including through litter or graffiti, will be subject to disciplinary proceedings and will be expected to pay the costs of repairing the damage.
- g) **Refrain from taking food or open drinks** other than water, into classrooms or learning areas.
- h) **Dress appropriately** when attending College and when undertaking College activities.
- i) **Refrain from making personal comments about staff or students** on social networks or other internet forums.

### 2. Academic

- a) **Attend all timetabled classes and activities punctually.** Students must knock and wait if late to classes so as not to disrupt the learning of others. Repeated and unexpected absence without notification or persistent lateness will result in disciplinary proceedings. Holiday trips must be arranged outside of College term times. Permission for holidays during term time will only be granted in exceptional circumstances.
- b) **Inform the College of all absences at the earliest opportunity** and attend all of the sessions included in your Study Programme, including English and maths classes.
- c) **Complete all set tasks and assignments** required of you within the time set by the course tutor, and to the appropriate standard. Where this is not possible you are expected to anticipate and discuss the difficulties with the appropriate member of staff.
- d) **Refrain from copying work** from other students, from the internet or from textbooks without direct acknowledgement or reference. Repeated and/or persistent plagiarism, cheating in exams or use of model answers will result in disciplinary proceedings.
- e) **Refrain from using mobile phones**, other forms of electronic communication or any musical device during any class or practical sessions unless permitted to by your lecturer as part of your lesson. Consideration of others must be given in communal areas of the College, including corridors and the College grounds.

**f) Refrain from noisy and/or disruptive behaviour.** Behaviour which disrupts the learning of others will result in disciplinary proceedings. This applies to all areas of the College and its grounds.

### 3. Health & Safety

- a) Take care of your own and others health and safety** while on College premises and/or on College activities. You must consider the health and safety of others who may be affected by your activities. You must not intentionally or recklessly damage, misuse or otherwise interfere with any devices or equipment provided by the College.
- b) Refrain from inviting adults or friends onto the College site unless attending a formal College event. In addition, do not allow others to access College building via your ID card.** All visitors to College must report to Reception and wear a Visitor's badge at all times.
- c) Inform the College immediately of any change in your personal details.**
- d) Follow the instructions of members of staff** in charge when on off-site educational visits.
- e) Refrain from smoking (including e-cigarettes and all similar devices) on College premises**
- f) Refrain from the unlawful use, possession or distribution of illicit drugs or substances, misuse of legal drugs, or consumption of alcohol.** This includes substances consumed offsite which potentially affect any student's ability to learn safely and effectively.
- g) Refrain from carrying any offensive weapon.**
- h) Comply with any requests by the Principal or delegated members of staff to search you or your belongings.** This also applies to any storage used by you such as lockers.

**A breach of any of the above is likely to result in disciplinary proceedings. This may include attendance at additional detention and/or attendance promotion sessions, not being permitted to attend enrichment and sport activities, not being permitted to progress, and temporary or permanent exclusion.**

Any student who carries out an assault, engages in fighting or other acts of violence, extremism, vandalism, bullying and harassment – (physical, verbal and cyber), theft, using or being in possession of illegal drugs, firearms or other weapons, committing or attempting to commit any act of arson, or behaves in a way likely to bring the College into disrepute will be subject to disciplinary proceedings the outcome of which is likely to be suspension or exclusion.

Extremism is vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance for those with different faiths and beliefs.

Any offence under English criminal law committed by a member of the College may constitute a breach of Student Standards and result in disciplinary proceedings. Any breach will be referred to the relevant police authorities. This includes activities committed in the vicinity of College, whilst travelling in connection with College or participating in any College related activity, or which are committed in a context unrelated to College activity but which brings the College into disrepute or which suggests that staff or students may be at risk from their presence at College.

Students are also expected to adhere to any relevant departmental Student Standards relevant to their area of learning.

## ANTI-BULLYING CODE

### DEFINING BULLYING

Bullying is the wilful, conscious desire to hurt, threaten, frighten, upset or embarrass another person. It may involve physical and/or verbal intimidation. It can also arise from silence, gestures, comments or images on social media, or from taking, or damaging, another person's property.

Such actions when they occur between individuals from different ethnic backgrounds may also be construed as racial harassment.

### INFORMATION/ADVICE TO STAFF

All accusations of bullying will be considered seriously and dealt with in the strictest confidence and subject to safeguarding considerations.

Bullying will be recognised as a serious breach of College Student Standards.

All instances of bullying should be reported to the perpetrator's Personal Tutor and CRQ Leader/nominated staff member who will interview the student(s) concerned and then decide what action, if any, is appropriate.

Sanctions may include:

- a) informing the perpetrator's parents and inviting them to an interview
- b) temporary, and in exceptional cases permanent, exclusion from College.

### INFORMATION/ADVICE TO STUDENTS

Any accusation of bullying that is made will be treated in the strictest confidence, consistent with and subject to safeguarding considerations. Any incident should be reported to the student's Personal Tutor/ CRQ Leader/nominated staff member.

Students should avoid the temptation to retaliate as this can make it harder to resolve any dispute that may have arisen.

Where a number of incidents have taken place over a period of time students should keep a record noting the date, time and place where the incidents took place (including incidents outside of College) and can report these to the Welfare team.

Any action proposed will only be undertaken with the full knowledge and consent of the person being bullied, subject to safeguarding considerations.

### WHAT STUDENTS SHOULD DO IF THEY SEE SOMEONE BEING BULLIED

Students must recognise that bullying is a serious offence and that concern for the individual being bullied should override any other allegiances.

Students need to be encouraged to report incidents of bullying they witness as there is a danger that their silence may make it appear that they are on the side of the perpetrator.

### WHAT WILL HAPPEN TO STUDENTS WHO BECOME INVOLVED IN BULLYING

The incident will be investigated and appropriate sanctions applied. This may be in the form of a warning but in more serious cases it could involve either suspension or exclusion from College. Parents/guardians will be informed and asked to accompany the student into College for a disciplinary hearing with a member of the College management team or SLT.

A copy of the incident will be held on the student's eILP.

Students will be expected to alleviate the harm done through recognition of the situation, apology and appropriate behaviour thereafter.

## SANCTIONS

Instances when a student demonstrates aspects of behaviour that do not conform to the Student Standards will see the following accumulative sanctions applied:

ACTION	WHO CAN DO THIS
Verbal Reprimand	All College Staff
Verbal Warning	CRQ Leader
Written Warning	CRQ Manager
Final Written Warning	Assistant Principal
Suspension (Temporary)	Assistant Principal
Exclusion	Vice Principal

### REASONS FOR EXCLUSION AND SUSPENSION

- causes offence or fails to treat members of the College community with courtesy and respect
- endangers themselves or others
- gives rise to concern for the safety of staff or students
- shows disregard of College rules, procedures or policies
- constitutes a refusal to comply with reasonable instructions from a member of staff
- brings the College into disrepute
- is dishonest or uncooperative in any dealing with the College

### RECORDING OF SANCTIONS

Any sanction as detailed above that are issued during the course of a student's studies will be recorded on their individual learning plan and filed for the remainder of the academic year in which the breach was made. The records kept on file will be referred to should any further breaches of policy be made, and those records may influence any future disciplinary sanctions issued.

For students that have been excluded from college by a Vice Principal, any future application for a college course will be considered by an internal College panel who will assess the previous nature of your expulsion and your suitability for the course to which you have applied before you will be offered a firm acceptance on that course.

### APPEALS AGAINST SUSPENSION

The student may appeal against the decision to suspend within 10 working days of notification. This Meeting of Appeal would be chaired by a member of the Senior Leadership Team who has no connection with the student or course. The Chair's decision is final

### APPEALS AGAINST EXCLUSION

## MEETINGS OF APPEAL

This procedure is intended to afford a student a full and fair opportunity to present an appeal against any decision made under this policy.

**Students aged over 18 years** may choose to be accompanied by an advocate from Learner Services and one other adult but not legal representation.

**Whenever possible a Meeting of Appeal should be set up within 10 working days of the notice of the appeal being lodged and the student given at least 5 days' written notice of the meeting.**
