

Award in The Internal Quality Assurance of Assessment Processes and Practice Level 4

COURSE OVERVIEW

This qualification is at Level 4 and is appropriate for individuals who are interested in taking on the role of an internal quality assurer or internal verifier as well as for staff

This qualification includes a unit that covers all the essential knowledge and understanding that quality assurance staff need and a unit that describes competent practice. The qualification will give people who carry out a quality assurance role the opportunity to develop and improve their practice as well as the opportunity of achieving a professional qualification already in this role.

The aims of this of this qualification is to enable learners to:

- Develop an understanding of the principles and practices of internal quality assurance assess performance in assuring the quality of assessment from within an organisation or assessment centre.
- Achieve a professional qualification for the knowledge, understanding and skills developed.

The staff delivering on the teacher education programmes have come from a range of different vocations providing learners with a wealth of experience of teaching and assessing academic, business and vocational subjects. All staff on the programme have a recognised teaching qualification in addition to qualifications in their subject specialism.
