FRAMEWORK

to land and how disputes in relation to these can be resolved.

- **Contract Law**

Introduces the elements and formalities required for the creation of contracts and the ways in which parties will be bound.

- **Tort Law**

Introduces various civil offences, particularly negligence.

- **Introduction to Law and Practice**

Introduces the basic principles of the English Legal System, from the courts to parliament and the people who work in the legal system.

ENTRY REQUIREMENTS

- 4 GCSE's grade C or above to include maths and English
- 18+

DELIVERY INFORMATION

Delivery will take place one half day per week, each Thursday. This will be via face-to-face lectures and workshops.

METHODS OF ASSESSMENT

Assessment will be by portfolio and examination.

STAFF EXPERIENCE

The staff in the law school come from a range of different backgrounds. Some have spent many years in the academic environment and have considerable experience in the delivery of various areas of law.

Other staff have come from practice backgrounds and have worked as commercial and private law solicitors and paralegals. This ensures that students have the benefit of both practice and academic experience.
