UK Quality Assured

Course Validated by

Award in Education and Training

This course is designed for those new to teaching in all areas of the lifelong learning sector.

COURSE OVERVIEW

This 10-week introductory course is a valuable starter course for new practitioners entering the sector. It is desirable that the award is taken immediately on entry into the profession. It is aimed at those with little or no experience of teaching or training who are considering or wishing to teach or train in the sector.

The award develops knowledge and skills related to planning, delivery, assessment and the evaluation of inclusive teaching and learning both with individuals and groups of learners.

MODULES

- Understanding roles, responsibilities and relationships in education and training
- Understanding and using inclusive teaching and learning approaches in education and training
- Understanding assessment in education and training

ENTRY REQUIREMENTS

There are no formal entry requirements for this course

METHODS OF ASSESSMENT

This part-time course is assessed via some written assignments and the delivery of a 'micro-teaching' session to your peers; there is no requirement for you to have teaching practice to undertake this course.

PROGRESSION

On successful completion of this course, students can progress onto the Certificate in Education and Training or the Diploma in Education and Training.

STAFF EXPERIENCE

The staff delivering on the teacher education programmes have come from a range of different vocations providing learners with a wealth of experience of teaching academic, business and vocational subjects. All staff on the programme have a recognised teaching qualification in addition to qualifications in their subject specialism.
