Visit our website at **www.howcollege.ac.uk**

All course information, location of courses and fee information within this prospectus is correct at the time of publication. Where there is a change to published information, students will be notified in a timely manner and provided with a detailed explanation. If a course is cancelled, the College will make efforts to ensure that applicants receive timely advice on other suitable courses and options available. Any decisions made by Heart of Worcestershire College are carefully considered and made in the best interests of our students, to enhance both their success and experience. For the most up-to-date information please see the College website: www.howcollege.ac.uk

WE
ARE

WELCOME

**Heart of
Worcestershire
College is a place
for you to nurture
your individuality,
learn new skills,
meet new people
and take your next
step towards a
successful career.**

Why choose to **study at HEI** Worcestershire?

CHOOSING A PROGRAMME AT HEI WORCESTERSHIRE IS AN IMPORTANT INVESTMENT IN YOUR FUTURE.

We offer an excellent range of professional and higher education courses to support your future career progression.

WHY CHOOSE US?

1. Flexible study options available to fit your study around your life.
2. Dedicated careers team to help support you with CV writing and job hunting.
3. On average, our students spend more time learning in lectures and seminars than you would at most traditional universities. This means you get more contact time when you study with us, which means you also get more for your money.

WE
ARE

**WE HELP
YOU REACH
YOUR FULL
POTENTIAL**

SUPPORTING OUR STUDENTS

ADVICE CENTRES

Our Advice Centres enable all students to access dedicated support with applications, bursaries, loans and childcare support.

WELLBEING

We offer one-to-one appointments and organise campaign weeks throughout the year to promote positive wellbeing.

CAREERS AND EMPLOYABILITY

We have a dedicated careers team to support you with CV writing, interview techniques and job hunting.

STUDENT UNION - AFFILIATED BY THE NATIONAL UNION OF STUDENTS

Our Student Union run national and local campaigns on issues ranging from higher education funding to global warming. They also organise social events throughout the year.

All enrolled students become members of the Students' Union and can purchase a TOTUM discount card.

HIGHER EDUCATION ENGAGEMENT OFFICERS

Our Higher Education Engagement Officers support students with assignment writing, referencing and study skills. They also provide disability advice and support to help apply for Disabled Students Allowance (DSA).

For more information, email:
hehub@howcollege.ac.uk

WHICH COURSE **IS RIGHT FOR ME?**

HEI Worcestershire has courses to suit everyone. Whether you're looking to study part time or full time, we have a wide range of HNCs, HNDs, degrees, HE courses, professional qualifications and apprenticeships to choose from.

ACCESS TO HIGHER EDUCATION

Access courses are either one year full time or two years part time, and are designed for adults over the age of 19 who would like to return to education. There are no formal entry requirements; however, you may be asked to complete an online test to assess your suitability for the course.

HIGHER NATIONAL CERTIFICATE (HNC) AND HIGHER NATIONAL DIPLOMA (HND)

Providing a combination of theory and practice, these qualifications are geared towards giving you the practical and technical skills for a particular field of work. You will be assessed through assignments and practical tasks.

HNDs are qualifications in their own right, but you also have the option to convert them to a full honours degree by completing a final top-up year with ourselves or at a university.

FOUNDATION DEGREES

Our foundation degrees are equivalent to the first two years of an honours degree and combine academic study with practical training for specific careers. Such a course focuses on developing the technical skills needed for work, and assessments take place through a variety of measures, including exams and practical work. Foundation degrees are qualifications in their own right, but you also have the option to convert them to a full honours degree by completing a final top-up year with ourselves or at one of our university partners.

BA (HONS) DEGREE

Honours degrees are recognised across the UK and Europe and are awarded in one of four classes. HoW College is proud to currently offer a full degree in Social Work.

PROFESSIONAL QUALIFICATIONS

These qualifications are awarded by professional bodies within their industry. Most are chartered and all are recognised by organisations within their field. Some careers will require you to be a member of a professional body; for example, accountancy. A professional qualification will support you to develop your future career.

HIGHER APPRENTICESHIPS

Higher apprenticeships are an alternative route to professions that have traditionally been reserved for graduates. They are recognised qualifications that incorporate work-based learning programmes.

KELLY HIGGOT

HND IN ADVANCED PRACTICE IN WORK
WITH CHILDREN AND FAMILIES **STUDENT**

“““

It has been a pleasure to study at Heart of Worcestershire College, everyone has been so supportive and I wouldn't be where I am today without them.

Kelly has since successfully completed her degree at Newman University and is undertaking a Masters to continue her studies.

PROFESSIONAL QUALIFICATIONS

Professional qualifications will equip you with the knowledge and skills you need to boost your career.

These qualifications are awarded by professional bodies and all are recognised by organisations within their industries.

WHAT PROFESSIONAL QUALIFICATIONS DO WE OFFER?

- Chartered Institute of Marketing (CIM)
- Chartered Institute of Personnel and Development (CIPD)
- Association of Accounting Technicians (AAT)
- Chartered Management Institute (CMI)
- Institute of Leadership and Management (ILM)

WHAT ARE THE BENEFITS OF STUDYING A PROFESSIONAL QUALIFICATION?

- Boost career prospects and potentially help you gain promotions
- Awarded by professional bodies
- Recognised by organisations within their industry
- Study around your work and social commitments

LET'S TALK FINANCE

HOW CAN I PAY MY COURSE FEES?

At HEI Worcestershire we are proud to be able to offer competitive tuition fees for both full time and part time study. This ensures you get the best value for money whilst guaranteeing you are receiving the same standard of education you would expect from a traditional university. There are a variety of options available to help pay for higher education course fees; student loans are available from Student Finance England for both full time and part time students. Alternatively, if you are not applying for a loan for your HE course or wish to pay in instalments for a professional course, arrangements can be made with our finance department during enrolment.

IS THERE ANY FINANCIAL SUPPORT?

Yes, we have access to a variety of support funds to help learners continue to study a higher education qualification with us, such as the Higher Education Access to Learning Fund and Advanced Learning Loans. Full time higher education students also have the option to apply for a maintenance loan via the Student Loans Company.

WHAT IS THE HIGHER EDUCATION ACCESS TO LEARNING FUND?

The Higher Education Access to Learning Fund is an opportunity for students to receive financial assistance during their higher education studies.

Applications are available from the College's customer services team, however, this funding is not available to students studying with us on a franchised, sponsored basis. Students must also have applied for funding via Student Finance England.

HOW MUCH ARE TUITION FEES AT HEART OF WORCESTERSHIRE COLLEGE?

Tuition fees can vary slightly, however, fees are typically £8,000 for full time higher education courses, and £4,000 per year for part time higher education courses.

For more information, please visit:

www.howcollege.ac.uk

CAN MY EMPLOYER PAY FOR MY HIGHER EDUCATION OR PROFESSIONAL COURSE?

Yes, a letter from your employer/company confirming their intention to support your fees would be required at the time of enrolment. An invoice will be issued and payment can be made by cheque or BACS.

Boost Awards

Boost Awards are put in place to offer financial support to HEI Worcestershire students. Such awards will be given based on students meeting one or more of the following criteria to apply:

- Have a household income of less than £25,000
- Studying on a Heart of Worcestershire College validated higher education course
- Permanent resident in England
- In receipt of Student Finance England Funding

Priority Groups for such funding include:

- Looked after/care leaver
- Applicants with disabilities
- Resident of low HE participation neighbourhoods

Please note that those who are self-funding, sponsored by an employer, receiving an NHS social work bursary or the Training and Development Agency for Schools, are not eligible to receive a Boost Award.

LEARNING CENTRES

The mission of our Learning Centres is to provide a range of quality resources and information services to support your time at College. They are ideal for gathering research, working on assignments and project work, and completing any other forms of independent study.

the

APPRENTICESHIPS

Interested in a Higher Apprenticeship?

OFFERING APPRENTICESHIPS IN:

Engineering Network • Finance (AAT)
Human Resources • Management
Management Operations
Marketing • Project Management

HOW TO APPLY FOR AN APPRENTICESHIP

To apply you must be over the age of 16
and not in full time education.

STEP ONE

Visit **howcollege.ac.uk** and find a vacancy
or register your interest on our AIMS site.

STEP TWO

Attend a 'pre-screening' at the College.
This is so we can match you with employers
looking for apprentices.

STEP THREE

Interview with employer.

CASE STUDY: JAY-LEANNE ELLIS

APPRENTICESHIP
WITH HoW COLLEGE

I have always been a 'hands-on' learner which is why I chose to do an apprenticeship.

Not only have I gained a recognised qualification but I have secured a permanent role at the College as a Junior Management Accounts Assistant. The apprenticeship scheme made this transition so much easier as I already had the office experience and background of the company systems. I would definitely recommend an apprenticeship as throughout I received a monthly wage which I saved towards passing my driving test and buying a car!

I have gained so much experience from my AAT qualification as well as from colleagues that have helped me along the way.

WHAT IF I AM ALREADY EMPLOYED?

If you are already working or know an employer that would like to employ you as an apprentice, please email

solutions@howcollege.ac.uk or ring

01905 743435. We will be able to arrange a visit to the employer to confirm arrangements.

STUDENT LIFE AT HoW

Immerse yourself in student life at HoW College; whether it's taking a study break in Starbucks or making time for yourself in our state-of-the-art salons, there's never a dull moment on campus.

- **An active Student Union to organise social events**
- **Two hair and beauty salons to keep you looking and feeling good**
- **Starbucks cafés on campus**
- **Free WIFI on all campuses**
- **On campus travel agency**
- **Restaurants on campus**

HOW TO APPLY

Applications for our full time higher education courses are made through UCAS using 'Apply'; an online application system available at www.ucas.com

The UCAS website contains full details of how to apply, plus help text where appropriate to make it as easy as possible for you to fill in your online application.

The UCAS code number for Heart of Worcestershire College is H19 and should be entered clearly on your application form. If you require further information and advice, you can contact the UCAS Customer Contact Centre.

For all part time courses and professional qualifications please apply directly through the College website or contact admissions to request further information via:

headmissions@howcollege.ac.uk or
profadmissions@howcollege.ac.uk

AWARD ON COMPLETION

Level 3 Access to Higher Education in Health Professionals.

POSSIBLE FUTURE CAREERS

- Health Care Practice Manager
- Medical Secretary
- Nurse
- Midwife
- Occupational Therapist
- Medical Residential, Day and Domiciliary Care Manager
- Health Services and Public Health Managers and Director
- Health and Safety Officer
- Psychologist
- Paramedic

ASIA MUSAH

ACCESS TO HIGHER EDUCATION STUDENT

““““

I found the course very useful for prepping for university. Staff were so helpful! Such a great team that go out of their way to help. Initially I saw a careers advisor who helped guide me in the right direction. I highly recommend seeing a career advisor if you are unsure about anything. The best thing I learnt was to always ask! There are so many ways in which the College can help you, you only have to ask. I received free childcare and it really helped me complete my course and get a place at the University of Worcester studying Mental Health Nursing.

Access to Higher Education Diploma (Science)

Level 3

Have you ever wondered how the world around us works? Does biology determine the way we behave? If so, you are already thinking like a Scientist. This course will allow you to progress onto a degree in science or a health profession such as dietetics, physiotherapy, radiography or microbiology.

What will I be doing?

- Chemistry
- Forensic Science (Redditch only)
- Biology
- Physics
- Academic Study Skills
- Anatomy and Physiology
- Biological Science

Progression

You can progress onto a broad range of academic and vocational higher education courses at a foundation degree, HND or BA (Hons) level.

“

Hard work certainly pays off and if it wasn't for the flexible nature of the course and the support of my tutor I wouldn't be where I am today!

HND in Business Management

Level 4/5

This globally recognised level 5 vocational qualification covers all the essential subject areas required to become successful in business and management.

What will I be doing?

Year 1:

- Business and the Business Environment
- Marketing and Process Planning
- Human Resource Management
- Accounting Principles
- Managing a Successful Business Project
- Innovation and Commercialisation
- Entrepreneurial Ventures

Year 2:

- Research Project
- Organisational Behaviour
- Resource and Talent Planning
- Employee Relations
- Strategic Human Resource Management
- Global Business Management
- Pitching and Negotiation

Progression

Most HND Business Management graduates progress directly to the BA (Hons) Business Management top-up degree course; which is delivered at a variety of universities.

The qualification is also recognised by other Higher Education providers as meeting admission requirements to many relevant business-related courses, for example: BSc (Hons) in Business and Management; BA/BSc (Hons) in Business Studies. Alternatively, you could further develop your career in business, management or related professional occupations.

BROMSGROVE

2 YEARS
FULL TIME

1 DAY PER
WEEK

ENTRY REQUIREMENTS

If you have recently been in education you require at least one of the following:-

- A BTEC Level 3 qualification in business (or related subject area)
- A GCE Advanced Level profile that demonstrates strong performance in a relevant subject or adequate performance in more than one subject
- An Access to Higher Education Certificate
- Other equivalent level 3 qualifications (including international equivalents)

In addition, you must have achieved at least 4 GCSEs at grade 4/C or above including English (equivalent qualifications accepted).

Mature applicants (over 21 years) may present a more varied profile of achievement that is likely to include extensive work experience (paid and/or unpaid) and/or achievement of a range of professional qualifications in their work sector.

If your first language is not English, you must be able to demonstrate proficiency in the English language at a minimum level of CEFR level B2/PTE 51/IELTS 5.5 (reading and writing must be at 5.5) or equivalent standards.

ILM Certificate in Leadership and Management

Level 3

This qualification is ideal if you have management responsibilities but no formal training and are serious about developing your abilities. It's particularly suited to practising team leaders seeking to move up to the next level of management, and managers who need to lead people through organisational change or other pressures.

What will I be doing?

- Understanding Innovation and Change in an Organisation
- Giving Briefings and Making Presentations
- Understanding Leadership
- Managing Workplace Projects
- Understanding Performance Management
- Business Improvement Techniques
- Understanding Conflict Management in the Workplace

Progression

On successful completion of the ILM Level 3 Certificate in Leadership and Management you can progress to the ILM Level 3 Diploma in Leadership and Management. The diploma requires assessment of work-based competency in a team leading role. Other progression opportunities include Level 5 Certificate in Leadership and Management and Level 4 Project Management.

HENRY WATTON

FOUNDATION DEGREE IN DIGITAL MEDIA AND GAMES
DESIGN **STUDENT**

“““

I feel the Foundation Degree was the best choice I could have made, as it allowed me to continue on in an environment where I felt familiar with almost everyone and could feel comfortable doing the required work. The opportunities presented throughout the course were perfect for learning industry skills, such as our client-based project with Shire Consulting, which helped me both gain skills in multiple areas, and assisted in the decision on where to go later in life.

Foundation Degree in Digital Media and Games Design

Level 5

The digital media and games design industries are both rapidly expanding and increasing in use and popularity. From the prominence of mobile applications to the continued recognition of PC and console gaming, media and visual design.

What will I be doing?

Year 1

- Interaction in Games
- Games Structures
- Game Modelling
- Graphic Design
- Working to a Client Brief
- Digital Animation and Video Production

Year 2

- Group Project
- Pitch and Development
- Emerging Technologies
- Game Production
- Character Modelling
- Advanced Modelling for Games

Progression

You have the option to complete a computer games design degree with the University of Wolverhampton as a third year top-up. Alternatively, you could develop a career within the games industry.

Award in Assessing Competence in the Work Environment

Level 3

This Level 3 Award is appropriate for individuals who are interested in taking on the role of an assessor as well as for staff already in this role.

There are three qualifications within the suite. There is a knowledge-based award on the principles and practices of assessment, suitable for those who may not be directly involved in assessing or those new to assessment.

What will I be doing?

- Understanding the Principles and Practices of Assessment
- Assess Occupational Competence in the Work Environment
- Assess Vocational Skills, Knowledge and Understanding

Progression

On successful completion of this course, students can progress onto the Award in the Internal Quality Assurance of Assessment Processes and Practice.

COURSE FEE
£650

Award in The Internal Quality Assurance of Assessment Processes and Practice

Level 4

This Level 4 qualification is appropriate for individuals who are interested in taking on the role of an internal quality assurer or internal verifier as well as for staff.

This qualification includes a unit that covers all the essential knowledge and understanding that quality assurance staff need and a unit that describes competent practice.

What will I be doing?

- Understanding the Principles and Practices of Internally Assuring the Quality of Assessment
- Internally Assure the Quality of Assessment

Progression

On successful completion of this course, students can progress onto the Certificate in Leading the Internal Quality Assurance of Assessment Processes and Practice.

Certificate in Leading the Internal Quality Assurance of Assessment

Level 4

This level 4 certificate has been designed for those individuals who have wider quality assurance responsibilities and manage others, develop policies or manage External Quality Assurance (EQA) visits. This is the qualification which lead internal quality assurers need to take.

What will I be doing?

- Current Practice
- A Programme of Development
- The Recognition of Prior Learning (RPL)

Progression

On successful completion of this course, students will be able to guide teams of internal quality assurance staff. Alternatively, learners may look to study other courses such as external verifier qualifications.

Diploma in Education and Training

Level 5

This course is appropriate for teachers, tutors, trainers, lecturers and instructors who may be working within an FE college, adult and community learning and for those delivering work-based learning such as within voluntary, community, private and public organisations.

What will I be doing?

- Planning and Delivering Schemes of Work and Sessions
- Understanding How to Set Individual Goals
- Understanding and Exploring Different Teaching and Learning Strategies
- Understanding Communication Issues
- Exploring a Range of Assessment Practices
- Completing a Minimum of 100 Hours Teaching Practice

Progression

On successful completion of this course, students can progress onto a masters or a specialist Diploma in Education and Training course. There is also an opportunity to apply for QTLS status once you have gained the level 5 Diploma.

| WE
ARE

ENGINEERING

| 86

As the leading vocational specialist for engineering courses within Worcestershire, we have developed and sustained meaningful relationships with employers and universities across the county to ensure learners are taught the latest engineering techniques and theory. Our history of delivering industry standard qualifications has earned us an excellent reputation within the area. Specialisms include electrical, mechanical and design engineering. We have recently invested a multimillion pound grant in redeveloping our engineering facility and equipment for use across all our engineering programmes.

HNC in Electrical and Electronic Engineering

Level 4

Electrical and electronic engineering will let you work at the forefront of practical technology, designing and improving the devices we use every day. From electrical cars to smart mobile phones, Electrical and Electronic Engineers revolutionise to meet society's communication, tech and energy needs.

What will I be doing?

- Engineering Design
- Engineering Maths
- Engineering Science
- Managing a Professional Engineering Project
- Electrical, Electronic Principles
- Digital Principals
- CAD for Maintenance Engineers
- Fundamentals of Thermodynamics and Heat Engines

Progression

If you wish to progress to further study, you may want to consider our HND Diploma in Electrical and Electronic Engineering.

BA (Hons) in Social Work

Level 4-6

This course is perfect for those looking to make a real difference to the lives of individuals, families and communities, preventing them from harm, neglect and abuse. During this course you will benefit from regular sessions presented by service users and carer groups.

What will I be doing?

- The Professional Learner and Safe Practitioner
- Skills Development
- Applied Psychology and Human Development
- Sociology: Themes and Perspectives in Social Work
- Ethics and Values of Social Work
- Development and Delivery of Social Welfare Provision
- Law for Social Work Practice
- Advanced Social Work Skills
- Assessment and Intervention, Theories and Methods
- Two Practice Placements

Progression

On successful completion of the qualification, students are eligible to apply for entry to the register with the professional regulator for social work as a qualified Social Worker. The programme has an excellent record in terms of students going on to work for local employers.

REDDITCH

3 YEARS
FULL TIME

DAY CLASSES

Students are required to complete two practice placements to demonstrate their capability. This includes a 70 day placement in Year 2 and a 100 day placement in Year 3.

ENTRY REQUIREMENTS

- At least six months relevant social care experience. We can also take into account personal experience of social care.
- GCSE grade 4 (formerly Grade C) or above in English and maths or equivalent e.g. Key and Functional Skills qualifications at level 2.
- 96 UCAS tariff points.
- Two references are required, an academic reference and a reference commenting on suitability for social work.

We welcome applications from mature students who need to evidence ability to study at degree level, usually demonstrated by a level 3 qualification.
