FACIAL TREATMENTS LEVEL 3

Luxury Facial

This is an advanced electrical luxury facial, it is a deep cleanse facial. Products are tailor made for your skin type e.g. dry/sensitive, combination or ageing.

Non-Surgical Facial

Caci - low intensity direct electrical current rather than surgery. The treatment lifts the skin and tones the muscle to prevent sagging.

Goddess - After a thorough cleanse, hypoallergenic pads are placed on the main muscles of the cheeks, jawline and neck for firming and toning.

Microdermabrasion facial

A progressive and not an aggressive treatment. It is a gentle exfoliation which is deep and works right into the skin surface to remove dead skin cells whilst re-surfacing the skin. Correction work can be done on areas of concern it helps to draw out any impurities reduce fine lines and wrinkles remove black heads whiteheads and helps with pigmentation and sun damaged skin. The final phase of this treatment will gently lift the muscles in the face.
