# CIM Level 3 Foundation Certificate in Professional Digital Marketing

Have you got a passion for marketing? Would you like to develop your knowledge and skills to take you to the next level?

### COURSE OVERVIEW

Perfect for those new to roles that involve marketing or who aspire to work in the marketing industry. This Level 3 qualification accredited by the Chartered Institute of Marketing provides you with the essential knowledge and skills needed to perform professionally in a support level role within the workplace and enter the world of marketing.

### MODULES

#### - Marketing Principles

This module provides an understanding of the key concepts and terminology used in marketing. It also gives you knowledge and understanding of the role and function of marketing within organisations and explores the factors that can influence consumer behaviour. You will identify key components of the marketing environment and develop an appreciation of how to collect and use relevant information. The module outlines the concepts and elements which make up the marketing mix and shows you how they are applied in context.

#### - Digital Fundamentals

This module provides an introduction to the main aspects of digital marketing. On completion you will have an appreciation of the impact that digital technology has had on marketing activities and its effect on customers. You will have an understanding of the digital marketing tools available, how those tools can be used and how to develop digital marketing content. Finally, you will know how to develop digital communications campaigns and how the effectiveness of those campaigns can be measured.
