Course Validated by

FdA Early Years (0-8)

Are you passionate about the care and education of children or do you aspire to support children and families?

COURSE OVERVIEW

The Foundation Degree in Early Years is offered as a Full-time two-year course or a Part-time three-year course and is designed to allow you to work while studying. It enables you to develop your professional knowledge, skills and attributes to enhance your career options in the early years or family support sector.

The Foundation Degree in Early Years course has **two** pathway options:-

FdA Early Years (0-8yrs) pathway option (UCAS Code: FEYP) is for students joining who have already met the requirements for EYE (Level 3 full and relevant /approved qualification) and wish to extend their knowledge and professional practice.

FdA Early Years (0-8yrs) (Professional Practice) pathway option (UCAS Code: FDEY) meets the requirements for Early Years Educator (EYE approved qualification) (including over 350 hours of practice in an Ofsted registered setting which can be paid employment). This enables students to meet the “full and relevant” approved qualification requirement for practice in an early years setting.

TO APPLY FOR THIS COURSE:

Full-Time course: please apply through the UCAS website.

Part-Time course: ensure all applications are made through the College system by clicking the ‘Apply Online’ button rather than through UCAS.

- NB: For the Early Years (0-8) pathway, if you do not have evidence of Literacy at Level 2, it will be necessary to complete a non-standard entry essay to demonstrate competence in written English. For those taking the Professional Practice Pathway, if you do not have evidence of L2 numeracy, you will be advised about strategies during interview, as it is requirement of the 'full and relevant'/approved qualifications for early years.

The College has a commitment to widening participation in Higher Education and will, therefore, give careful consideration to prior experiential learning, non-traditional qualifications and qualifications obtained outside of the United Kingdom. We welcome applications from experienced and mature practitioners who do not have the standard qualifications. On the application form, please state "non-standard entry route".

DELIVERY INFORMATION

Classroom lectures and workshops, discussion groups, on-line learning and independent research.

Full-time Course - One and a half days per week (for 22 weeks term-time) for taught sessions plus 2 days minimum of practice based work (paid employment) or voluntary placement per week. Approximately 12 hours per week guided independent study.

Part-time Course - One day per week (for 22 weeks term-time) for taught sessions plus 7 hours minimum of practice based work (paid employment) or voluntary placement per week. Approximately 9 hours per week guided independent study.

METHODS OF ASSESSMENT

Assessment is all course work based; there are no formal examinations. The assignments link theory directly to practice and aim to develop the student as a reflective practitioner and focus on enhancing the quality of provision for children and families in the early years.

CAREER OPPORTUNITIES

The FDEY will qualify you for a range of careers in the early years sector, including day nurseries, family support work, social care, children's centres, children's voluntary organisations and nursery management. With further qualifications you can enter Primary Teacher Training.

You can progress from the FDEY to a BA (Hons) Top-Up degree in Integrated Working with Children and Families (Level 6) at the University of Worcester, or a similar degree at a university. After gaining Level 6, you can then apply for teacher training on a one-year PGCE course. NB: PGCE courses require GCSE English, maths and science at C grade.
