

Higher Education Hardship Fund Policy and Procedure

INTRODUCTION

This Hardship Policy is written to allow Higher Education Students suffering financial difficulty to determine their eligibility for support from Heart of Worcestershire College to assist them with their study costs.

The College reserves the right to amend/cease the support detailed in this policy considering changes to the funding received or changes in the requirements from the funding bodies.

The College reviews the Hardship Fund Policy on an annual basis. This annual review may change eligibility for any support detailed in the Policy, and in some cases remove elements of support entirely.

The budget for support to students is finite. Students who may be eligible for support may not automatically receive it once the limited funds have been exhausted. **Early application for support is therefore advised.**

AIMS OF THE POLICY

This policy aims to:

- Ensure that the limited funds available to the College are distributed effectively and efficiently to those students with the greatest financial need.
- Clarify the different eligibility criteria for students studying a higher education course at Heart of Worcestershire College.
- Outline the range of support available to eligible students.

HARDSHIP FUND FOR HIGHER EDUCATION STUDENTS

There are 2 funds available for Heart of Worcestershire College students:

BOOST AWARDS

If household income is under £25,000 – students may be eligible to receive a Boost award of up to £1500 for FT and £750 for PT to support students with the costs of attending college i.e., travel, equipment etc. Boost application forms are available online by visiting our website www.howcollege.ac.uk/student-life/student-finance

The closing date for applications is Friday 6th October 2023. Payments are made at the end of November, January, and May. Priority groups for a Boost award are:

- Looked After/Care Leavers
- Applicants with disabilities
- Resident of low HE participation neighbourhood

Self-funding and those sponsored by an Employer, NHD Social Work bursary or the Training and Development Agency for schools aren't eligible for a Boost award.

Hardship funds may also be available for students struggling to pay course related costs i.e., travel, childcare costs for part time learners or for one off emergency which may prevent students from attending college. To receive support from the hardship fund students must have applied for the full Student Finance package available to them i.e., full maintenance loan. Support will not normally be provided from both Boost award and Hardship fund. Hardship can also be provided towards DSA assessment costs and the initial £200 contribution towards equipment.
