**GET A TASTE OF
HOW COLLEGE!**

OPEN EVENT

SATURDAY 18TH APRIL 26

9.30AM - 12.30PM ALL CAMPUSES

HOWCOLLEGE.AC.UK

HEART OF
WORCESTERSHIRE
COLLEGE

Thank you for joining us Today at our open event!

Today, our campuses are open from 9.30am - 12.30pm for you to explore. During this time, you can speak with our tutors, tour facilities, discover our range of courses and find the right pathway to kickstart your future.

This guide includes all the information you need for the day, including what to expect, what subjects are here, and more!

What to expect at a HoW College open event:

Today is about welcoming you to the College and helping you make decisions about your future and next steps in education. All our facilities are open for you to explore, including our learning centres, subject areas and student areas, meaning you can get a real feel for the College.

As well as this, our tutors are on hand to discuss course specifics, talk through entry requirements, show you our facilities and provide you with all the key information about your chosen course.

But that's not all. Today, you'll also hear from our Executive Leadership Team who will be sharing insights into all aspects of HoW College — from student support to the overall student experience.

A young man with curly hair, wearing safety glasses and a black polo shirt, is focused on working on the underside of a silver car. He is using a power tool, likely a grinder, which is creating a shower of bright orange sparks. The car is elevated on a red hydraulic lift. The background shows a typical garage environment with various tools and equipment.

WELCOME TO HOW COLLEGE.

Learning Resource Centre (LRC) and HoW RU Hubs

Today you also have the opportunity to view our Learning Resource Centre and HoW RU Hubs.

Learning Resource Centre

Our LRC's are open to all HoW College students, here they can find a range of quality resources and information services that support the teaching and learning needs of the College. In the LRC's students will find a range of study areas, books, reading hubs, journals, eBooks and online databases. They can also get support with accessing resources, referencing, Elements, accessing Wi-Fi, ID Cards and so much more. Make sure to pop in and take a look round!

HoW RU HUB

All students are welcome to spend their free time in the HoW RU Hubs that are located on each campus. Each hub has a pool table, table tennis, Xbox, VR headsets, games and more! You will normally be able to find members of the Student Experience Team in the hubs in Bromsgrove, Redditch and Worcester who are on hand if you need them.

Our Campuses

If you would like to explore more than one campus, please use the maps provided.

Talks

Executive Leadership Team talks:

Today, members of our Executive Leadership Teams will be giving talks which give you an insight into life at HoW College, our vision and values, and the support we offer our students.

At our Worcester campus, these talks are taking place at the following locations and times:

WHERE?

Lecture Theatre

WHAT TIME?

10am and 11am

Application Stations

Today, we have application stations available for anyone who would like to make an application.

If you have found the course that's right for you and your future, make sure you visit one of our stations to apply! Our teams will be on hand to walk you through the process and offer advice and guidance.
